- a. TrustYou GmbH, Steinerstraße 15, 81369 Munich, Germany, ("**Provider**") will furnish Client with online subscription services to access one or more of Provider's software applications, including the following services: TrustYou Analytics (Reputation management based on online traveler reviews), TrustYou Survey (Collection and analysis of verified reviews), TrustYou Marketing (Tools and widgets to market your own hotel reputation, and strengthen direct bookings), TrustYou Messaging (Real-time communication with guests prior and during their stay), TrustYou Operations (Optimization of internal processes through tasks management and internal communication) and TrustYou Connect (Partner platform for data exchange with the TrustYou Guest Feedback Platform) and any other services which Provider may furnish from time to time, to allow Client to collect and analyze guest satisfaction surveys, to monitor consumer generated hotel reviews, images and videos on the Internet, and to communicate with guests through a variety of electronic channels (the "**Services**").
- b. Any specific services to which Client has subscribed are set forth in the separate specific terms entered into by TrustYou and Client in writing or by completion of an online form (the "**Specific Terms**"). The Specific Terms and these Standard Client Terms and Conditions, together, constitute the entire agreement (the "**Agreement**") between the Client and Provider. Provider shall provide access to the contractually agreed Services to an agreed number of persons designated by Client who are employees of or consultants to Client (each, a "**Subscriber**"), as more fully described in the Specific Terms.
- c. In case of online contracting, Client accepts the respective offer of Provider and concludes the Agreement by accepting these Standard Client Terms and Conditions and clicking on the Purchase Button of the online form. The Agreement is provided in the English language only.
- d. Provider will not retain the Agreement after its conclusion and it may not be accessed on Provider's website after its conclusion. However, Client may access, download and store the Agreement upon conclusion of the Agreement.
- e. Provider informs Client and Subscribers that the access to and use of the Services of the Provider by Subscribers respectively individuals requires the Subscribers respectively individuals to be of legal age (18 years +).

II. Term and Termination

- a. The delivery of Services to Client by Provider will commence on the date set forth in the Specific Agreement and continue for the Term stated therein. If no Term is set forth in Specific Terms, then the Term will commence on the date on which Client is first granted access to the Services (the “**Effective Date**”) and will continue for twelve (12) months (the “**Initial Term**”), and effective as of each anniversary of the Effective Date, the Agreement shall automatically extend for an additional one (1) year period (each such one-year period, a “**Renewal Term**”) unless written notice of non-renewal is provided by either party no later than ninety (90) days prior to the end of the then current Term.
- b. Notwithstanding the foregoing, a subscription for the Messaging Service is valid for a period of twelve (12) months, or until Client uses the maximum number of messages permitted for the Messaging Tier selected by Client, whichever occurs first. If Client uses the maximum number of messages permitted for the Messaging Tier selected by Client prior to the expiry of the then-current twelve (12) month Term, Provider shall not be obliged to continue to provide the Messaging Service unless and until Client renews its subscription pursuant to Section III(b). Following such renewal, the Messaging Service shall be valid for another period of twelve (12) months, commencing on the date of such renewal, or until Client uses the maximum number of messages permitted for the Messaging Tier selected by Client, whichever occurs first.
- c. Provider may terminate the Agreement at any time upon ninety (90) days’ written notice to Client. No later than ten (10) days after expiry or termination of the Agreement, Provider shall purge any contents of Client’s online dashboard or APIs and shall, if requested, certify same in writing to Provider.
- d. Notwithstanding any provision in the Agreement to the contrary, either party may suspend or terminate the Services at any time for the other party’s breach of the Agreement, provided such party has not cured such breach within an adequate period of time set in a written notice from the non-breaching party. The right of the Parties to terminate the Agreement for extraordinary reasons without giving notice remains unaffected hereby.
- e. In the event Client terminates the Agreement prior to the end of the Initial Term or any Renewal Term for any reason other than Provider’s uncured breach of the Agreement, Client shall pay Provider a termination fee equal to the entire amount Client would have paid Provider under the Agreement through the end of the then current Term but for such termination. Client remains entitled to render proof that Provider has suffered no or less damage than the amount corresponding to such entire amount.

III. Fees and Billing

- a. Certain of the Services may, in Provider’s sole discretion, be provided without charge. In respect of Services for which Provider charges fees, in consideration of Provider providing such Services and access to the Services, (i) Client shall pay to Provider the fees set forth in the Specific Terms in accordance with the payment schedule specified therein, or (ii) if the Specific Terms do not set forth a payment schedule, Client shall prepay Provider by valid credit card, through electronic funds transfer (“**EFT**”), the annual or monthly subscription charges for the Services selected within 14

(fourteen) days of the issue date of the invoice.

- b. In respect of the Messaging Service, each subscription fee payment is valid for a period of twelve (12) months, or until Client uses the maximum number of messages permitted for the Messaging Tier selected by Client, whichever occurs first. If Client has used the maximum number of messages permitted for its Messaging Tier prior to the conclusion of such twelve (12) month period, Client must renew its subscription and pay subscription fees in order to continue using the Messaging Service (provided that Client may select a different Messaging Tier).
- c. At any time and from time to time after the Initial Term, Provider reserves the right to modify its fees, including instituting new fees or Services, upon thirty (30) days' prior written notice to Client, and such revised fees shall be deemed to automatically amend the Specific Terms for all purposes hereunder, effective for the next billing period as set forth in the Specific Terms or these Standard Client Terms and Conditions.
- d. In case of a modification of fees to the disadvantage of the Client, the Client has the right to terminate the Agreement toward the end of a 30 (thirty) days period following the day on which the new fees take effect by giving written notice. During such thirty (30) days notice period the former fees will continue to apply for Client.
- e. In the event Provider is unable to successfully charge Client's credit card via EFT, or an invoice is not paid within thirty (30) days after the date of delivery of such invoice, Provider reserves the right to terminate or suspend Client's access to the Services. Unless an invoice specifies otherwise, payment is due in advance on the first day of the Initial Term and of each Renewal Term.
- f. Any Client fees more than thirty (30) days past due are subject to an interest surcharge in accordance with applicable law for each month or part thereof that payment hereunder is past due.

IV. Service Deliverables

- a. Provider will provide Subscribers with access to the Services, which shall be password protected for the exclusive use of Subscribers through the internet. Client may revise its designation of Subscribers upon prior written notice to Provider.

- c. From time to time delivery of the Services may be delayed due to scheduled or unscheduled maintenance or factors beyond Provider's control, and Provider's failure to deliver the Services in such event or events shall not constitute a breach of the Agreement.

V. Client's Acknowledgments and Agreements

- a. Client shall provide Provider with the following information prior to the commencement of Services: (i) applicable hotel name(s), (ii) hotel website(s), (iii) the names of three of Client's competitors, and (iv) e-mail addresses of all Subscribers. Client agrees, represents and warrants to comply with all applicable data protection laws regarding the aforementioned information.

Provider may block certain comments using specific keywords, and Client will have the ability to control the blocking of key words.
- c. Client understands and acknowledges that the Services (other than Messaging) and the information provided in connection therewith are for internal review, analysis, and research only, and Client agrees, represents, and warrants to not redistribute such information, in whole or in part, to others, or publish, make publicly available, broadcast, or sell any material received hereunder.
- d. Client undertakes not to infringe on any copyrights, other rights or proprietary interests of any third party from which data or other information accessible via the Services was generated.
- e. Client undertakes to indemnify, defend, and hold harmless Provider and its employees from and against any and all claims, suits, actions, costs, damages, expenses (including, but not limited to, adequate legal fees) and losses incurred by any of such parties arising out of or related to or occurring in connection with (i) Client's breach of any of its obligations arising out of or in connection with the Agreement, including Client's publication, making publicly available transmission, delivery, or other use of any information or material contained provided or furnished to Client pursuant to the Agreement, (ii) Client's access to and use of the Services; (iii) any Client Content (as defined below); and (iv) Client's violation or infringement of any rights of another (including intellectual property rights or privacy rights).
- f. Upon written request from Provider, Client shall promptly defend or settle such claim, suit, or action at Client's sole expense through counsel reasonably acceptable to Provider; provided, however, Client may not settle or compromise any claim without the prior written consent of Provider, which consent shall not be unreasonably withheld.
- g. In the event Client elects not to defend any claim hereunder, Provider may settle or defend such claim, and shall be entitled to recover from Client the amount of any final settlement or judgment, as well as all costs and fees incurred by Provider in connection with such settlement or defense, including reasonable attorney's fees and expenses.
- h. The foregoing notwithstanding, nothing herein shall prevent Provider, in its sole discretion, from defending or settling any such claim, suit or action at its own expense and through its own counsel.

- i. Client shall not solicit reviews from customers by use of means which might reasonably be expected to impair or unduly influence the judgment of the reviewer and therefore the accuracy or veracity of the review. Practices that are deemed likely to so impair or influence a review include, without limitation:
 - (i) Compensation payable to the reviewer which is dependent on the content of the review or which constitutes an immoderate incentive;
 - (ii) Exerting pressure on guests to alter or withdraw a review, including through unjustified threat of legal action;
 - (iii) Offering incentives for positive reviews, or for changing negative reviews;
 - (iv) Soliciting or knowingly publishing reviews created by people other than hotel guests, or by insiders or other parties affiliated with Client; and
 - (v) Soliciting reviews only from guests already identified as satisfied or otherwise likely to post a positive review.

Client will inform Provider of the nature and extent of its planned promotions which increase or are intended to increase the volume or nature of reviews.

- j. Client undertakes that Client's access to and use of the Services will comply with all applicable laws, rules and regulations, including but not limited to those that relate to privacy and data protection and electronic communications. Client further warrants that Client has all necessary permissions to allow Provider to receive and process Client Content and send communications to individuals on Client's behalf. Client is responsible for ensuring that Client meets all notice and consent obligations for sending communications to individuals in the jurisdictions where they reside. Client is solely responsible for determining whether the Services are suitable for Client to use in light of any laws and regulations that govern Client, its industry, or its relationship with its customers, including but not limited to consumer protection, privacy, advertising, intellectual property or other laws. Client may not use the Services for any unlawful or discriminatory activities.

VI. Disclaimers and Limited Warranties

- b. Provider does not assume any guaranty or warranty for the uninterrupted availability, functionality and compatibility of the Services, websites and applications of Provider.

- e. In case of force majeure, Provider is not obligated to perform its Services for the period of force majeure. If force majeure continues for more than three months, Client is entitled to terminate the Agreement with Provider.

VII. Limitation of Liability

- a. Provider is fully liable in case of intentional or grossly negligent behavior.
- b. In case of ordinary negligence, Provider – other than in cases of violation of life, body or health – is only liable if material contractual obligations (“Kardinalpflichten”) are violated. “Kardinalpflichten” are contractual obligations that the agreement has to grant to the user according to the purpose of the agreement or whose fulfilment enables the proper performance of the agreement in the first place and therefore may be relied upon by Client. In this case the liability of Provider is restricted to the typical and foreseeable damage, at maximum to the remuneration to be paid by Client per contractual year.
- c. Any liability for indirect and unforeseeable damages as well as loss of profit is excluded in case of ordinary negligence, unless the requirements for unrestricted liability in accordance with lit. b) apply.
- d. With regard to the above liability provisions, Provider is only liable for damages relating to loss of data if such damages also would have occurred in case of proper and regular data storing measures by the Client.
- e. Any liability that goes further than in this agreement is excluded, irrespective of the nature of the asserted claim.
- f. The limitations and exclusions of liability in accordance with Section lit. b), c), d) and e) do not apply for statutory liability irrespective of default of Provider or for liability resulting from a contractually agreed upon guarantee that applies irrespective of default.
- g. To the degree that the liability of Provider is limited or excluded, this also applies to the personal liability of its employees, directors, officers, representatives and agents.

VIII. Intellectual Property Right

- a. Provider is and shall be the sole owner of all of its trademarks, patents, patent applications, copyrights, trade secrets and other intellectual property, including without limitation any and all software code, business systems, sales and other data (including, without limitation, any data collected via the Services), developed by, for or on behalf of Provider whether now existing or later developed and whether or not relating to Client, and all derivatives thereof, other than Client Content, as defined below (the “**Provider IP**”).

However, by using the Services, Client grants to Provider a limited, non-exclusive, revocable license to access, use, reproduce, modify, adapt, publish, translate, create derivative works from, distribute, perform and display Client Content solely for purposes of providing and improving the Services.
